

**INTERNATIONAL MARITIME
FUMIGATION ORGANISATION**

Dear members, colleges and clients,

It is great pleasure that we would like to welcome two new members in the IMFO group. Our first new member is: Bulagrocontrol from Bulgaria and our second is: Comtec from Malta.

If you have any questions concerning in-transit fumigation in their area, feel free to contact them or call our head quarter.

Best regards,
The management team.
